You are becoming the owner of a history of science that keeps itself up-to-date and gets more valuable each week. But this record of progress is almost useless, unless you keep its weekly chapters, the Science News Letter, bound in order and indexed. Write now for binders in which to build up this valuable reference work. Capacity, four months' issues; color, black; material, leather finished, heavy bookbinder's bristol. Cost 50c postpaid anywhere in U. S. A., \$1 elsewhere.
